ONCE-DAILY
Vyvanse™
(lisdexamfetamine
dimesylate) capsules
20 mg • 30 mg • 40 mg • 50 mg • 60 mg • 70 mg

Vyvanse controls his ADHD symptoms. *He does the rest.*
It's his world. We're just here to help. Vyvanse controls ADHD symptoms throughout the day and into the evening. Because, he has things to do.
